Teena koutou katoa,

Welcome back to Term 3! Thank you to Mr Willis for his leadership in Term 2 and for ensuring a smooth transition to Term 3. It was a wonderful poowhiri last Monday, the students proudly performed waiata and we were honoured to have Milton Ngaruhe and Mok Mahara from Ngaati Maahanga support us. Poowhiri is a special time to welcome our visitors into our school and this term we welcome Ryder Smith and Willow Harding who started with Mrs Carson in Ruma Piwakawaka and Alex Stinson who joined Ruma Kereru. Next week we also welcome Kennedy in Ruma Kookako.

This term, our learning is focused around science and art. Our students will have opportunities for our students to investigate, understand, and explain changes within our natural, physical, and wider universe. They will learn how the arts are a powerful form of expression and have the opportunity to share their art to auction at our Art Auction on the 20th September. Next week we have a preschool visit and our Year 7 and 8s head off on their ski trip to the snow.

Winter sport continues with our hockey teams competing on Friday evenings and Saturday mornings. This will continue until Week 6 of the term, (30/31

August). Thank you to our parents and Mr McVie for his organisation and support every week. It is exciting keeping up with the athletes in preparation for the 2024 Olympic games and seeing our 200 strong New Zealand team in action!

Thank you for your continued support of our learning programmes and extra curricular activities. We know that effective home school partnership has a positive influence on our students. So far this term, we have had whaanau into school for our ski trip information night and this week with our hui-a-whaanau. We appreciate you all have busy lives so we want to make communication as timely and useful for you as we can in a way that's accessible for you. We aim to keep you as up to date and informed as we can. Here is our main portal (please download the app if you haven't already), and you can also follow us on Facebook for weekly celebrations. If at any time you have any questions or concerns please feel free to contact your child's teacher.
